

# Snowdon in your pocket!

We recommend walking up the PYG track, and down the Miner's track. Both start and end at **Pen-y-Pass** car park and make an enjoyable but not too challenging loop with stunning views.

Parking at Pen-y-Pass must be pre-booked at least the day before during the season - see [www.snowdonia.gov.wales](http://www.snowdonia.gov.wales) for more information.

If you can't book Pen-y-Pass, use the Park and Ride service from **Nant Peris** - the Sherpa bus will take you to / from Pen-y-Pass (pay in cash or by contactless card).

To reach Pen-y-Pass / Nant Peris from Crafnant House:

- turn left out of our drive and take the B5106 to **Betws-y-Coed**
- in Betws-y-Coed, turn right onto the A5 towards Bangor
- at **Capel Curig** turn left onto the A4086 towards Llanberis
- follow signs for **Llanberis**, turning right at the Pen-y-Gwryd hotel.
- You will see Pen-y-Pass car park first; Nant Peris is a further 3 miles / 7 minutes down the hill along the same road
